INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

As a means of complying with the duty of disclosure set forth in 37 CFR § 1.56 and in keeping with the guidelines of 37 CFR § 1.98, Applicant hereby submits information thought to be relevant to the examination of the above-identified application. Also submitted herewith is a completed form PTO-1449.

AL

01-012-2000

This information came to light during the examination of a counterpart application in the European Patent Office in an Office Action dated March 22, 2001. Accordingly, the undersigned hereby certifies that the information submitted herewith is being submitted within three months from the date of that Office Action.

To the best of the undersigned's knowledge, no Office Action has yet been received in the above-identified application.

U.S. Patent No. 5,687,216 (Svensson) apparently relates to an apparatus and method for providing cooperation between internal and external memories in a mobile communications terminal having messaging capabilities by transferring messages stored in the internal memory into the external memory.

U.S. Patent No. 6,126,071 (Yoshimura) apparently relates to an IC memory card and an IC memory card system to prevent the use of unauthorized or illegal copies of IC memory cards storing original content.

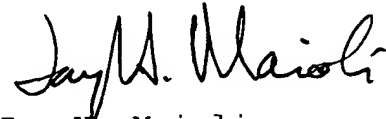

U.S. Patent No. 5,623,682 (Fukunaga) apparently relates to an apparatus for processing document information that includes a keyboard for inputting characters of a plurality of languages, symbols relating to the pronunciation of the inputted characters, a selection key, a key for inputting a nationality code and a

display for displaying proposed symbols relating to the pronunciation of the inputted characters.

European Patent No. 0 750 287 (Oka et al.) apparently relates to an image apparatus connected with a display device on which a plurality of pixels are arranged in matrix form, the image creation apparatus comprising a video memory, a dot pattern data memory and an image creator.

No fee is deemed necessary in connection with the filing of this Information Disclosure Statement. However, if a fee is required for this submission, the Commissioner is authorized to charge the requisite fee to our Deposit Account No. 03-3125.

Respectfully submitted,
COOPER & DUNHAM LLP
